Talking Points for DDCI and Secretary of State Breakfast
Tuesday, 10 August 1982

Department of State Intelligence Support

1. Note INR's contribution to the Intelligence Community:

- o their unique perspective of the policy relevance of intelligence.
- o their contribution to development of intelligence assessments and estimates.
- o participation in NFIB, NFIC and various Community Committees (e.g.
- o value of their publications especially the Secretary's Morning Summary.
- o coordination of Intelligence Community activities to ensure they support U.S. foreign policy

25X1

25X1

25X1

2. FY 1984 Budget Forecast:

25X1

3. Non-NFIP matter of note:

- o State's overall reduction in personnel strength overseas has resulted in less Foreign Service reporting and has directly affected the Community's analytical capability.
- o offer to support Secretary Shultz in pressing OMB for increases in the State's overall personnel ceiling.
